My Health Team brings together a dedicated team of health professionals, focused on delivering the highest quality of primary health care for you and your family. My Health Team provides General Practice services from two clinics - Highland Park Medical and Marina Medical. Our integrated, full service, primary health care team comprises Doctors, Nurse Practitioners, Nurses, Health Improvement Practitioners, Health Coaches, Health Care Assistants and Service Administrators, all working together to deliver the best health care designed with you and your family at its heart.

My Health Team has modern, purpose built and patient centred health premises, along with a leading technology platform that enables seamless health care for you where ever you are. You can choose to receive your health care face to face at one of our clinics, or online where ever you are. Our secure online patient access also enables easy appointment bookings, repeat prescriptions, test results and direct messaging with our health care team.

Doctors, Nurses, Ultrasound, Psychologists, Psychiatrist

☎ : 09 535 8095

Highland Park Medical is located in the Health Hub at Highland Park, next to the local supermarkets and the Library. Our contemporary purpose built medical centre is equipped with leading technology, supporting our dedicated Doctors, Nurses and health professionals to provide the best possible primary health care to you and your family. We provide all the services you would expect from a well equipped and skilled General Practice team. There is easy flat entry and ample onsite parking to ensure you can access your health care safely and with ease. Also within the Health Hub, there is an excellent pharmacy, as well as a team of psychologists and psychiatrists and ultrasound services.

Doctors, Nurses, Dietitian, Specialists

☎ : 09 534 5414

Situated in modern medical premises overlooking the Marina at Half Moon Bay, while we may be fortunate to have one of the best views for General Practice in Auckland, our skilled team of dedicated health professionals are focused on delivering the best possible primary health care to you and your family. Our Doctors, nurses, and support team work together to provide all the health services you would expect from a well equipped and skilled General Practice team. Situated alongside us in the Compass building are complementary health providers including Dietician, Marina Physio and Marina Specialists.

The Team

We have a passionate and dedicated group of health professionals who are here to deliver the best primary health care services. Once you are part of My Health Team, you can choose which clinic location you would like to attend. You may visit both clinics depending on the services you wish to access, and what works best for you as our patient. You can choose to receive your health care face to face at our clinics, or online wherever you are. Our secure online patient access enables you to have virtual consultations, make appointment bookings, repeat prescriptions, read test results and direct messaging with our health care team.

Meet our health professionals from My Health Team.

News and Views

Stay up-to-date with happenings at Marina Medical. This is where we share our knowledge, interesting things we find on the interweb, and news about new initiatives or other changes at the practice.

Newsletter March 2023

Wednesday March, 22 2023,

At last some sunshine for Auckland over the last week. This month we would like to introduce new members of our team, and importantly advise you of information about the new COVID Bivalent booster vaccine that many of you will have read about and how to book an appointment for it. We also wish to advise you of changes in Government funding for COVID care, plus update you on some new services. Thank you for taking the time to read our update.

Information about *COVID Bivalent Booster Vaccine *Influenza vaccine *RED clinic for respiratory symptoms *Support for Mental Wellness *Meningitis Protection *After Hours Doctor Telehealth Service

Newsletter December 2022

Monday December, 5 2022,

Firstly a BIG thank you to all of the team, and to you, our patients. This year has centred on what is at our heart, *Team Work!* As we look to the end of 2022, we can take a moment to reflect on what an achievement it has been for everyone to navigate the first active community wide pandemic in NZ for nearly 100 years. We thank you for your care, patience, tenacity and resilience and for the support you have shown each other and us at Highland Park Medical and Marina Medical.
